REAR ADMIRAL FARQUHAR.Selected to Command the North Atlan-
tic Squadron.WASHINGTON, September 11.—The

mination today to assign Rear Admiral
Norman H. Farquhar to command the

recent death of Rear Admiral Pickens.
The transfer will take place on October
10th.Rear Admiral Farquhar is one of the
veteran officers of the navy, his services
covering the Civil War as well as the
Spanish-American conflict. His last sea
service was as commander of the New-
ark in 1896. His shore assignments have
included stations at the Boston Navy
Yard, the League Island Navy Yard
and since 1897 at the Norfolk Navy
Yard. He was commissioned rear ad-
miral on March 3d last under the new
Navy Personnel Bill. Rear Admiral
Farquhar was at the Navy Department
today and had a long talk with Acting
Secretary Allen.**ASSOCIATED CHARITIES.**A meeting of the executive com-

ach, lungs, bowels and all organs of
the body would be unable to perform
their functions and life would cease.
The nerves furnish this vital power;
and when the nerves are all run down,
the appetite disappears, rest is bro-
ken by sleepless nights and a tired
feeling reigns supreme. Dr. Miles' Nerve
will put things to rights. "Four
years ago my nervous system was broken
down from overwork and I could
not sleep at night, had no appetite and
could gain no strength until Dr. Miles'
Nerve gave it to me. It is a grand
medicine."MRS. ELLEN HAYES,
Blandinsville, Ills.All druggists are authorized to sell
Dr. Miles' Nerve on a guarantee that
the first bottle will benefit or money
will be refunded. Be sure and get Dr.
Miles' Nerve. Take nothing else.

lments and we will give you, absolutely
free of charge, the honest advice of a

GALICIANS.Points Out the Original Purpose of the
Penal Clause of the Contract Labor
Law.Minister Damon and Census Superin-
tendent Atkinson arrived in San Fran-
cisco on September 10th and took rooms
at the Occidental. The following morning
Examiner, under a long article from
Honolulu on the subject of the release
of the Galicians, and an interview with
Rabbi Levy, printed the following as
coming from Mr. Damon:"The arrest of the forty Galicians was
the most conspicuous instance of the
enforcement of the penalty feature of
the contract labor law since its adop-
tion. Prior to that time there were
isolated cases of arrest and imprison-
ment. The arrested persons generally
went back to work after two or three
days. In the case of the Galicians they
did not seem to have any desire to go
back to work. What their motive was
or what actuated them in that attitude
is a question for those to answer who
see fit to do so.""The contract labor law was an ex-
pedient to induce white immigration in-
to the islands. It has been at great ex-
pense that white men have been
brought from Europe to Hawaii. Those
advancing money for this purpose re-
quired protection to the extent of get-
ting the passage money back in the
shape of labor by the immigrants. That
was the sole object of the law."**CAPTAIN BOOK.**SAN FRANCISCO, September 11.—A
change in commanding officers will
soon take place on the training ship Ad-
ams, which is now stationed at Goat
Island. Captain Book will be relieved,
to be succeeded by Captain Goodwin.
The Adams has orders to start on an-
other practice cruise with a crew of
young marines who have been getting
their first instructions on the training
ship. The boys whom the Adams brought
back from its last cruise are being dis-
tributed among the various vessels that
compose the Pacific squadron, and take
the places of time expired men.**NARROW ESCAPES.**The brig Lurline and the bark C. D.
Bryant both had narrow escapes from
going on Whalehead Rock off Point
Benita on their arrival at the Coast
early in the month. They were caught
in calms near the rock and the tide car-
ried them to close quarters before a
land breeze helped them out.**HONOLULU STOCK EXCHANGE.**Morning session—Sales: Between
